The project will be an **Erasmus Plus Sport Small Collaborative partnerships**, according to Erasmus Plus Programme rules.

“IPEU” has the **general objective** of encouraging the involvement and participation in unified sport activities of young people with ID from 8 to 12 years old and enhance their inclusion in sport environments where young people with and without ID coexist and learn to know each other.

The **specific objectives** are: to increase the knowledge of 8-12 years old with ID and their families about good practices of integration of young people with ID, and local and international organizations that offer unified sport activities for people with ID; to provide more opportunities for people with ID to try different unified sports and deepen how to adapt different sports to their necessities and desires; to reduce preconceptions and prejudices about the impossibility of people with ID to participate in sport activities on the same level as their peers without ID.

Activities and outputs:

- Research about the current best practices in the field of integration of people with ID within the sport activities;
- Mapping of organizations offering unified sport activities
- International SPORT summer camp in Italy with 20 young people to create, a set of guidelines on how to make sports more accessible to young people with ID;
- Twitch channel for both youngsters with and without ID who are involved in unified sports.
